- May 30<sup>th</sup> – Scoring & Presentation Review
- May 31<sup>st</sup> – Winner Announced
- June 10<sup>th</sup> (Week of) – Award Presentation @ winner school

---

## *Details: Testing*

- University of Waterloo, Faculty of Environment to host online test through Mobius
  - Each team will be assigned login details to access
  - Please login before testing day
- Maximum 90 minutes to complete test; timed by system
- Any technical issues dealt with my University of Waterloo; will be provided with contact info
- No cell phones or unapproved resource materials allowed

---

## *Details: Presentation*

- Scenario release May 28<sup>th</sup> at 9:30 am
- Teams may conduct research in preparing their responses
- 10 minute maximum; multiple takes not permitted
- Post video to YouTube, Google Drive etc.; link shared with Forests Ontario
- Can record before or after test; proctor must be present
- List of permissible items will be shared

---

## *Details: Proctors*

- Must be present for entire testing/presentation component; enforce Rules and Regulations, monitoring
- Arms-length from school
- Some proctors have been confirmed, still working on other regions
  - If you have suggestions contact Forests Ontario

# *Advisor Responsibilities*

- Book space for team to write test/record presentation
  - Consider background noise when selecting
  - Need internet enabled computer; one for entire team
- Coordinate with proctor and Forests Ontario to confirm start time for your team
- Observe entire testing/presentation component with proctor
- Assist in ensuring Rules and Regulations followed

---

## *Other Notes*

- Finalized Rules and Regulations document will be ready by May 17<sup>th</sup>
  - Updating based off today's meeting
- Cash prizes for top 3 teams courtesy of Maple Leaves Forever
- Requesting team photos for Opening Ceremonies and social media
