The background is a dark, gradient grey. It is decorated with numerous water droplets of various sizes. Some droplets are large and prominent, while others are small and scattered. They are primarily located in the top-left and bottom-right corners, with a few smaller ones in the center and bottom-left. The droplets have a realistic, glossy appearance with highlights and shadows.

PARTICIPATION OPTIONS

WHAT DID MB DECIDE??

	Training	Field Test	Orals
Teams Physically Separated	Members train individually but collaborate via phone or video.	Each member is sent a theme kit and full test at a set time.	Question given 2 ½ hours ahead of set time. Teams appoint one 'creator' of presentation and present as a team.
Individual Participation	Reduced amount of content: focus on 2 theme areas only.	Participants are sent kit and test at a set time.	Adapted question given 2 ½ hours ahead of set time. Individual presentation.

PARTICIPATION OPTIONS

WHAT DID MB DECIDE??

	Training	Field Test	Orals
Off-Line Participation	Send USB with all training needs	Send kit with paper test. Teacher gives kit and test at set time. Test is given to teacher to scan and submit.	Question given and judged via telephone.
Middle Years Program	Reduced amount of content in all 5 areas. Short, specialized training.	Focus is on hands-on kit-based items. All members sent the same kit and can work individual or as a team .	Question given one hour ahead of set judging time. Focus is on conversation rather than presentation.
