

NCF-ENVIROTHON

College and Career Fair

What is the NCF-Envirothon?

The **NATIONAL CONSERVATION FOUNDATION ENVIROTHON** is the largest high school environmental competition in North America and is managed and directed by the National Conservation Foundation with support from the National Association of Conservation Districts. This environmental and natural resource conservation problem-solving and leadership experience for high school students across the United States, Canada and China impacts over 500,000 individuals each year and **Ohio is hosting the event this year** during the week of July 24.

COLLEGE/CAREER FAIR:

COLLEGES AND UNIVERSITIES

The 2022 Hosts of the NCF-Envirothon are the Ohio Federation of Soil and Water Conservation Districts (OFSWCD) and the Ohio Envirothon Committee. This host partnership will offer the opportunity to the more than 350 students, advisors and volunteers to meet with college representatives at **Miami University, Oxford, Ohio. The Fair will be held in the Armstrong Student Center - Atrium on July 29 from 10:00 am to 2:00 pm. Cost: \$150.00 Set up 8:30 am to 9:45 am.** Many of the high school students participating will go into careers in environmental and agriculture related fields. This is a tremendous opportunity for the students to learn about your institution.
