WELCOME STUDENTS!

Don't forget to bring:

- bug spray, sunscreen, and your water bottle
- REMEMBER TO LEAVE YOUR ELECTRONICS IN THE DORMS (phone, watch, tablet etc.)
- Stay hydrated!!

Wear your provincial or state team shirt today!

ALL THINGS NEW BRUNSWICK!

Did you know that the Bay of Fundy (between NB and Nova Scotia) is famous for having the highest tides in the world? Every day, 160 billion tons of water flows in and out, and can reach up to 16 metres (56ft) high. During low tide, the boats will often be laying on the bottom; a few hours later they are floating!

ATTENTION ADVISORS!

Did you sign up for any guest tours? Check them out! Make sure your team brings along sunscreen, bug spray and water!

EVERYONE: PLEASE DOWNLOAD THE SCHED APP!

THROWBACK...

Envirothon Eyes & Ears

ALL THINGS FOODSTUFF!

NB is known for some yummy foods. One example is Covered Bridge Potato Chips (locally made in Saint John!); if you get a chance, grab a bag and enjoy!

FLICKR PHOTOS OF SUNDAY'S ACTIVITIES

SHARE YOUR PHOTOS!

Hey students! Post your pictures or videos on social media using the hashtag #2023ncfenvirothon and your team's name while holding/sporting some sweet 2023 NCF-Envirothon swag for a chance to win!

PHOTO RECAP OF YESTERDAY!

YESTERDAY'S HIGHLIGHTS

What a busy day with registrations and team photos! The opening ceremonies were amazing, and we want to thank each and every one of you for making it so special. The trading session, as usual, a flurry of activity! WELCOME ALL!

TODAY'S WEATHER WILL BE...

Sunny; becoming a mix of sun and cloud in the afternoon.
 High: 29C (84F)
 Humidex: 34 (93)

AND NOW A WORD FROM OUR SPONSORS... THANK YOU!
