PLEASE make sure your team does not bring electronics with them to orientation and sequestration. **Make sure the team snacks are delivered to the Windsor Grand Room by no later than 10am!** You may drop off a fan (along with the snacks)!

@NCFENVIROTHON

ALL THINGS FOODSTUFF!

Let's visit Acadian culture with another look at one of their favourites: **playes**. This humble food is a cross between a pancake and a crepe, but made with buckwheat and wheat flour. Cover them with butter & brown sugar, molasses or even a pork spread called cretons!

FLICKR PHOTOS OF WEDNESDAY'S ACTIVITIES

SHARE YOUR PHOTOS!

Hey students! Post your pictures or videos on social media using the hashtag **#2023ncfenvirothon** and your team's name while holding/sporting some sweet 2023 NCF-Envirothon swag for a chance to win!

RECAP OF YESTERDAY

YESTERDAY'S HIGHLIGHTS

What an amazing field trip day in Saint John, and at the Irving Nature Park! The students got to have some more time at one of our 'quintessential' beaches, and walked the beautiful nature trails within the park. There is nothing like the outdoors to refresh the mind and prep for today's task!

TODAY'S WEATHER WILL BE...

Mainly cloudy.
HIGH: 30C/86F
HUMIDEX: 37/99
It's going to be warm!

AND NOW A WORD FROM OUR SPONSORS... THANK YOU!
