RE: 2024 Membership Dues

State, Provincial, and Partner Nation Envirothon Programs,

On behalf of the National Conservation Foundation (NCF), thank you for your participation in and support of the NCF-Envirothon program. Each year, the Envirothon touches and positively influences the lives of thousands of young people across the U.S., Canada, China, and Singapore.

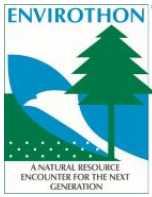

Our annual NCF-Envirothon Membership fees from participating state, provincial, and partner nation Envirothon programs enable us to sustain and grow the impact and reach of Envirothon around the world. Thanks to a network of dedicated Envirothon program partners, Envirothon has proven to be a leader in developing the next generation of conservation leaders. Today, Envirothon alumni can be found around the globe and in a wide variety of career fields – some even training the current generation of Envirothon students.

Annual Membership with NCF-Envirothon will ensure continued access to resources and support that will benefit your Envirothon program. Some of those benefits include:

- *Eligibility to send a team to the NCF-Envirothon annual international competition*
- *Use of Envirothon® name and logo (The Envirothon name and logo are registered trademarks of the U.S. Patent and Trademark Office)*
- *Eligibility to apply for an NCF-Envirothon Diversity Enhancement and Underserved Audience Grant*
- *Access to an international community of Envirothon supporters, sponsors, and a growing Envirothon Alumni Network*
- *And more...*

The Annual Membership Dues for the 2024 competition season, due by December 31, 2023, are **\$450 (USD)** and can be paid via check (or U.S. bank draft), credit/debit card (PayPal), or direct deposit. *(Per the NCF-Envirothon Program Policies, failure to pay all outstanding Membership Dues could result in ineligibility of team participation in the NCF-*
