## TEAM STUDY SESSION TONIGHT!

A reminder to all teams, advisors, and chaperones that there is a MANDATORY team study session tonight from 8-10pm at the Winn-Seeley gym. At least one advisor MUST attend the session with the students. The Competition Advisory Team (CAT) committee members and the host committee volunteers will pass out the team notebooks (from the training sessions earlier today) to the teams to allow them to review any notes taken as a group. **NO** outside resources will be allowed in the gym.

**Remember students: this time is for YOU to review and prep for tomorrow's in-field tests. Take advantage of this time! Good luck!**

## ATTENTION ADVISORS AND GUESTS!

Did you sign up for any guest tours? Check them out! Make sure your team brings along sunscreen, bug spray and water!
