Your advisor may drop off a fan along with your snacks in the morning!

ATTENTION ADVISORS!

PLEASE make sure that your team does not bring in any electronics with them to orientation and sequestration.

HIGHLIGHTS FROM YESTERDAY

Wednesday was an AMAZING day! The trip to Niagara Falls State Park was truly a once in a lifetime opportunity! The Maid of the Mist was exciting, and everyone loved the views of the falls. There is nothing like the outdoors to refresh the mind and prepare for today's task! The students returned to campus to enjoy the alternative energy car race, some ultimate frisbee, and a good deal of rest & relaxation. It was a GREAT day!
