RE: 2025 Membership Dues

State, Provincial, and Partner Nation Envirothon Programs,

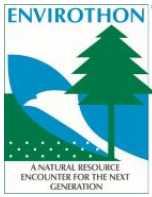

On behalf of the National Conservation Foundation (NCF), we thank you for supporting the NCF-Envirothon program. Your dedication to environmental education and conservation inspires a positive influence on our youth's future.

Envirothon started as a local education initiative in Pennsylvania in 1979 and has evolved into an international academic competition that impacts thousands of young people annually in the U.S., Canada, China, and Singapore. With a dedicated network, Envirothon leads in developing future leaders, with alumni now in diverse career fields, including those training current students.

Your membership plays a vital role in sustaining our efforts. The annual NCF-Envirothon membership fees from state, provincial, and partner nation Envirothon programs empower us to maintain and expand the impact and reach of Envirothon globally. Annual Membership with NCF-Envirothon offers valuable resources and support for your Envirothon program, including:

- Participation in the NCF-Envirothon Annual Competition
- Use of the Envirothon® name and logo
- Eligibility for the Diversity Enhancement and Underserved Audience Grant
- Access to a global network of supporters, sponsors, and an expanding Alumni Network.

The Annual Membership Dues for the 2025 competition season are set at \$450 (USD) and must be paid by December 31, 2024. Payments can be made by check (or U.S. bank draft), credit/debit card (via PayPal), or direct deposit. Please note, according to the NCF-Envirothon Program Policies, failure to pay all outstanding Membership Dues could result in ineligibility of team participation in the NCF-Envirothon annual

competition, forfeit of the right to use the Envirothon name/logo, restricted access to NCF-Envirothon resources, and more.

We kindly invite you to consider making an additional donation of \$200 or more to support the future growth and sustainability of our program. Contributions of any size are highly valued and will significantly enhance Envirothon. By donating \$200 or more, your state, provincial, or partner nation Envirothon program will receive recognition as a supporting organization on the NCF-Envirothon website and in the NCF Annual Report.

Thank you for your continued support of the NCF-Envirothon program!

Sincerely,

Brent Van Dyke  
Chair, NCF
