## Cultural Connections: Did you know?

Did you know? The logo was prepared with significant consideration for what ENVIROTHON is all about. Do you see elements from your adventures so far at Envirothon 2025? If you do, let us know! Stay tuned for more Cultural Connections this week!

## Thank You Volunteers!

As we hit mid-week, we thought we would take the opportunity to give a shout out to the volunteers in orange, purple, and blue...thank you for the many hours of hard work you have put in!

## ATTENTION ADVISORS:

Don't forget to attend your morning meeting with your team captain! Please note: you are in charge of your students during fun day. Make sure they are behaving themselves, and staying safe while enjoying beautiful Banff!

# ALL ABOUT ALBERTA

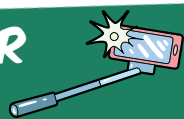

Banff National Park is a UNESCO World Heritage site known for its clear turquoise glacial lakes, towering mountains, and abundant wildlife. Banff was Canada's first national park, is home to the highest town in Canada, and contains over 1,600km (994 miles) of hiking trails!

## YESTERDAY'S HIGHLIGHTS

What a day! The students had smiles on their faces even with the cold & rain, and VERY successfully completed their testing day! Congratulations; we couldn't be prouder! It was time to relax and have some fun in the evening, with a great special presentation on living land acknowledgement & drumming, then off to various activities throughout the campus. The advisors also had a great day with their tour of the Royal Tyrrell Museum in the spectacular Canadian Badlands.

## SHARE YOUR PHOTOS

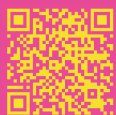

Hey students! Post your pictures or videos on social media using the hashtag [#2025ncfenvirothon](#) and your team's name while holding/sporting some sweet 2025 NCF-Envirothon swag for a chance to win!

## WHAT ABOUT CANADA, YOU ASK?

Canada has more lake area than any other country in the world, with 563 lakes larger than 100 square kilometres (38 square miles). The Great Lakes, straddling the Canada-U.S. boundary, contain 18% of the world's fresh lake water.
