RE: 2022 Membership Dues

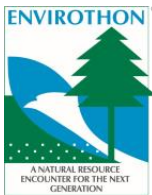

State, Provincial and Partner Nation Envirothon Programs,

On behalf of the National Conservation Foundation (NCF), thank you for your participation in and support of the NCF-Envirothon program. As you know, each year the Envirothon touches and positively influences the lives of thousands young people across the U.S., Canada, and China. Thanks to a network of dedicated program partners and members, like you, the NCF-Envirothon has proven to be leader in developing the next generation of conservation leaders. Today, Envirothon alumni can be found around the globe and in a wide variety of career fields – some even training the current generation of Envirothon students.

Membership fees from participating state, provincial and partner nation Envirothon programs are vital to the continued sustainability and growth of the NCF-Envirothon program and annual international competition. Membership with the NCF-Envirothon will ensure your access to these resources for your local Envirothon program. Your membership benefits include:

- Eligibility of state/province/partner nation to send a team to the NCF-Envirothon annual international competition
- Use of Envirothon® name and logo (*The Envirothon name and logo are registered trademarks of the NCF*)
- Eligibility to apply for annual NCF-Envirothon Diversity Enhancement and Underserved Audience Grants

- Access to the new comprehensive NCF-Envirothon Educational Resources, such as the new Learning Objectives
- Access to an international community of Envirothon supporters, sponsors and more, including a growing Envirothon Alumni Network
